FabBot Platform Series Router Models

Each of the Fully assembled CNC Routers below include Control Computer, CAD/CAM software, tooling set, MDF Table with Aluminum T Slots, Clamping system, curriculum, 1-1/4 HP Router, wrenches operates on 110V 20A
The floor space is about 2' larger than the work area.

FabBotR 48" x 20" CNC Router	\$10,999.00
FabBotR 48" x 48" CNC Router	\$12,999.00
FabBotR 48" x 96" CNC Router	\$14,999.00

Optional upgrade to 1.5HP ADD \$12,000.00
ATC spindle with 6 position ATC 110V operation

(ALL 20" Models fit through standard 36" door)

Key Points:

- *Entry Level economy system
- *Can make anything that higher end can make
- *Easiest model to get up stairs due to lighter weight with structural aluminum
- *Complete Turnkey package
- *Best in it's comparable price class
- * Most popular for those on a tight budget
- *Single Source 3 year, on-site, parts & labor warranty

Titan Series Router Models

The Titan Routers are cost effective heavy duty machines made of structural aluminum The floor space is about 2' larger than the work area. This is a great model for upstairs and other installations requiring special handling since they are lighter weight than steel. Includes Control Computer, CAD/CAM software, tooling set, MDF Table with Aluminum T Slots, Clamping system, curriculum, 3-1/2 HP Router, wrenches, operates on 110V 20A

TitanR 24" x 20" CNC Router	\$12,999.00
TitanR 48" x 20" CNC Router	\$15,999.00
TitanR 48" x 48" CNC Router	\$19,999.00
TitanR 48" x 96" CNC Router	\$21,999.00
TitanR 60" x 120" CNC Router	\$25,999.00

Optional upgrade to 5HP ATC ADD \$17,000.00
spindle with 6 position ATC requires 208-240V 3PH

Key Points:

- Heavier Duty than FabBot with larger structural aluminum
- *Can be disassembled for smaller doors & upstairs installs
- *Comparable features to MakerFab model except AL frame
- *Complete Turnkey package
- *Best in it's comparable price class
- *Tutorials available
- *True 3D with continuous contouring
- *Single Source 3 year, on-site, parts & labor warranty

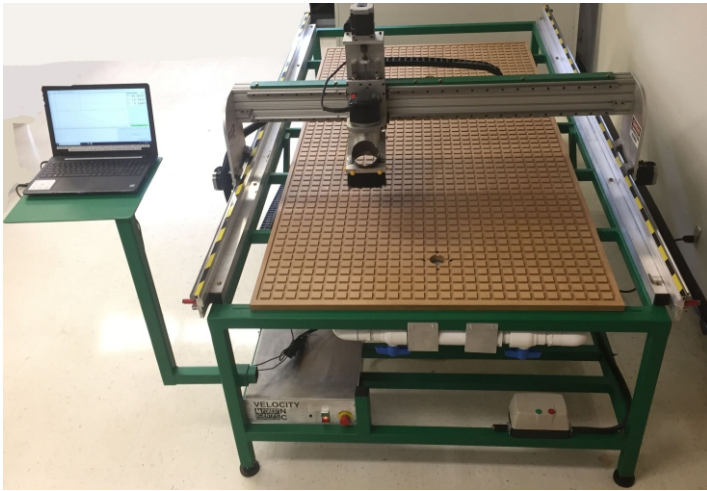

CNC Routers

Most popular models in schools and smaller shops

All pricing and specifications subject to change without notice.

Maker-Fab Series Router Models

The Maker-Fab Routers are cost effective heavy duty machines made of a welded steel frame with 2" tubular steel. The extra rigidity is great for handling the abuse of students and will last for many years. Includes Control Computer, CAD/CAM software, tooling set, MDF Table with Aluminum T Slots, Clamping system, curriculum, 3-1/2 HP Router, wrenches, operates on 110V 20A

RMF 24" x 20"	CNC Router	\$17,999.00
RMF 48" x 20"	CNC Router	\$20,999.00
RMF 48" x 48"	CNC Router	\$23,999.00
RMF 48" x 96"	CNC Router	\$26,999.00
RMF 60" x 120"	CNC Router	\$29,999.00

Key Points:

- *Can make anything that higher end can make
- *Heavy Duty Welded Structural Steel construction
- *Complete Turnkey package
- *Best in it's comparable price class
- *Tutorials available
- *Most popular series high school intro wood shop
- *True 3D with continuous contouring and smoothing
- *Auto Z sensing for part zero
- *Unlimited file size for complex 3D parts
- *Homing sensors X,Y,& Z Axis for a machine home
- *Single Source 3 year, on-site, parts & labor warranty

HS Series Router Models

The HS-Series Routers are heavier duty machines made with a larger tubular welded steel framewith 3" tubular steel. The extra rigidity is great for handling the abuse of students and will stand the test of time with 24/7 commercial use. It's Closed loop Hybrid Servo control assures accuracy at the fastest speeds. Includes Control Computer, CAD/CAM software, tooling set, MDF Table with Aluminum T Slots, Clamping system, curriculum, 3-1/2 HP Router, wrenches, operates on 110V 20A

HSR 24" x 24"	CNC Router	\$21,999.00
HSR 48" x 24"	CNC Router	\$24,999.00
HSR 48" x 48"	CNC Router	\$29,999.00
HSR 48" x 96"	CNC Router	\$34,999.00
HSR 60" x 120"	CNC Router	\$39,999.00

Key Points:

- *Complete Turnkey package
- *All of the features of the Maker-Fab
- *Closed Loop Hybrid Servos for Fastest Reliable Cut
- *Heaviest Duty Welded Structural steel under \$50K
- *Most popular robotics, CTE and commercial use
- *Faster output of 3D and Complex Cabinet Parts
- *Single Source 3 year, on-site, parts & labor warranty

Automatic Tool Changer Routers

Turnkey package with heavy duty hybrid closed loop servo controls, ER32 tool holders, collet set, tooling set, control computer, tutorials, auto tool measurement, 3 year on-site parts and labor warranty. ideal for cabinet making, robotics, and other higher level high school and CTE programs.

HSR-ATC 4' x 4' with 5HP & 8 position ATC	\$44,999.00
HSR-ATC 4' x 8' with 5HP & 8 position ATC	\$49,999.00
HSR-ATC 5' x 10' with 5HP & 8 position ATC	\$59,999.00

Higher end closed loop servo pro system that knows its location even in an E-stop state and includes the jog pendant and everything in above..

HSRPRO-ATC 4' x 4' with 5HP & 8 position ATC	\$64,999.00
HSRPRO-ATC 4' x 8' with 5HP & 8 position ATC	\$69,999.00
HSRPI	

HSRPRO-ATC 5' x 10' with 23 HP Vacuum table system

Optional Upgrades for all Routers:

Vacuum Table systems includes pump & Table

24X24 Vac System upgrade 110V	\$3,000.00
48X24 Vac System upgrade 110V	\$4,000.00
48X48 Vac System upgrade 220V3PH	\$5,000.00
48X48 Vac System upgrade 110V	\$6,500.00
48X96 Vac System upgrade 220V3PH	\$6,000.00
48X96 Vac System upgrade 110V	\$8,500.00
60X120 Vac System upgrade	\$8,000.00
If Vac Table Sys added later add	\$1,500.00
3D Digitizing probe	\$2,499.00
6" Fourth Axis	\$4,999.00
Wireless Jog Pendant	\$ 599.00
Coolant System for Metals	\$ 899.00
Desiccant Dryer System for ATC's	\$ 999.00

Aluminum T-Slot Table

48X20 or 24 T-Slot Table upg.	\$ 1,395.00
48X48 T-Slot Table upgrade	\$ 2,495.00
48X96 T-Slot Table upgrade	\$ 3,100.00
60X120 T-Slot Table Upgrade	\$ 4,300.00
Upgrade to Aspire 3D/CAD/CAM	\$2,000.00
Optional Dust Collection system	\$1,500.00

Spindle upgrades

2.5HP 1PH High Freq. spindle	\$ 2,500.00
5HP 3 PH High Freq. spindle	\$ 3,500.00
10HP 3 PH High Freq. spindle	\$ 5,900.00
5HP Manual quick change Spindle	\$10,500.00

CNC ROUTERS

Sizes and features for any room or budget

Ultra heavy duty professional moving table, turnkey CNC router package with tool holders, collets, tooling, remote jog pendant, control computer, phenolic multi-zone vacuum table, high end closed loop AC servo control system that knows where it is even in an E-stop state, and automatic tool measurement system.

K-4x4MT-S with 10HP & 8 position ATC & complete vacuum table system	\$129,999.00
K-8x4MT-S with 10HP & 8 position ATC & complete vacuum table system	\$149,999.00
K-8x6MT-S with 10HP & 8 position ATC & complete vacuum table system	\$159,999.00
K-10x5MT-S with 10HP & 8 position ATC & complete vacuum table system	\$169,999.00
K-12x6MT-S with 10HP & 8 position ATC & complete vacuum table system	\$179,999.00
