# SmartDraw is the Perfect Training Tool

SmartDraw equips students and instructors at K-12 schools, community colleges, trade programs, and 4-year degree programs with a professional-grade diagramming tool that can help them understand complex concepts and get real-world practice aligned with their future careers.

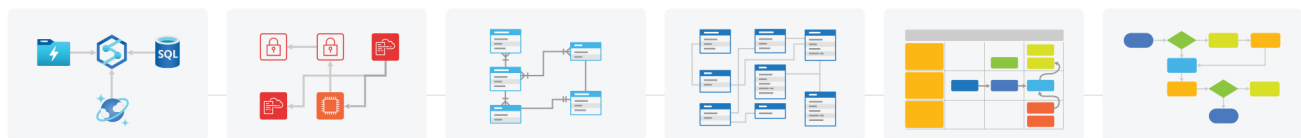

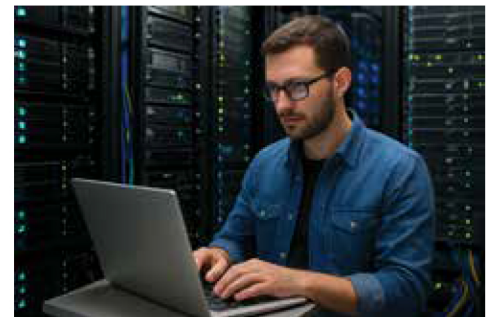

Key Features

- Easy to Use: Quick-start templates and drag-and-drop symbols for every discipline
- Affordable: One tool can be used across many different programs
- IT friendly: Integrates with existing systems with free support
- Remote friendly: Enables collaboration for virtual and remote students
- How SmartDraw Supports Every Program

Computer Technology

Teach students to design, implement, and troubleshoot systems while communicating technical concepts clearly.
- Create: Cloud Architecture Diagrams, Network Diagrams, Rack Diagrams, ERDs, UML Diagrams, Class Diagrams, Data Flow Diagrams

Law Enforcement & Criminal Justice

Build skills in analysis, investigation, documentation, and reconstruction.
- Create: Flowcharts, Timelines, Crime Scene Diagrams, Accident Reconstructions

Government Inspecti... | Apartment Crime Sce... | Crossing Road Accident

Business and Accounting

Show students how to document processes, structure teams, and plan projects effectively.
- Create: Flowcharts, Organizational Charts, Project Management Charts

Recruiting-Flowchart | Company-Org-Chart | Client-roadmap

Culinary Arts

Let students learn how they can plan efficient kitchens and lay out dining spaces.
- Create: Restaurant Floor Plans, Kitchen Layouts

Cafe Floor Plan | Piano Bar | Commercial Kitchen F...

Electrical

Practice realworld wiring designs, scaled drawings for code compliance, and project planning.
- Create: Electrical Circuits, Wiring Diagrams, Floor Plans, Project Management

Home Electrical Plan | Electrical Wiring Diag... | Construction Schedule

Emergency Management Planning

Show how to plan for emergencies and document proper incident response protocols.
- Create: Fire PrePlans, Evacuation Plans, Emergency Response Protocols

Office Fire Escape Plan | Building Fire Evacuati... | Emergency Response ...

Fire Science Technology

Prepare students to document fire scenes and understand evidencebased reporting.
- Create: Fire PrePlans, Fire Scene Reconstructions

Preserve the Fire Sce... | Restaurant Fire Reco... | Building Evacuation P...

Plumbing & HVAC

Teach students how to create industrystandard scaled drawings for code compliance and regulatory requirements.
- Create: HVAC Diagrams, Floor Plans

HVAC - ASHRAE Cycle | HVAC Design Diagram | Architectural Blueprint
