

# BODYVIZ Anatomy Table

Real Patient Data

One-Click  
Dissection

Comprehensive  
Learning

User-Friendly  
Design

- ✓ Cost-effective, portable touch-table solution providing an interactive virtual dissection learning experience.
- ✓ Motorized height-adjustable and tilt table stand.
- ✓ Supports multi-touch interaction, allowing multiple students to collaborate and engage at the same time.
- ✓ Offers split-screen functionality, allowing users to dissect anatomy while simultaneously accessing lessons and content through the BodyViz Portal.
- ✓ Compatible with other touch software programs, multi-functional use for courses outside of anatomy.
