

2019 Pricing Guide

DAHLE®
Office Products & Equipment

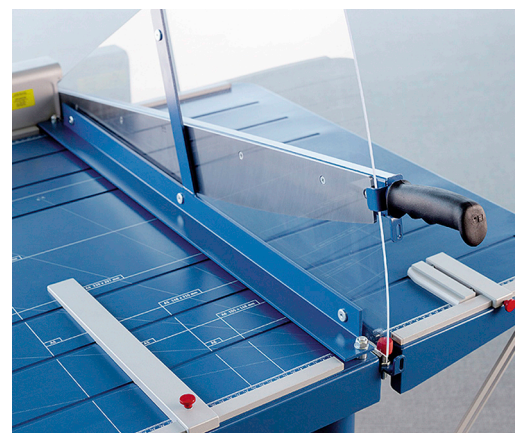

For over 88 years Dahle has established a reputation for developing the very best office products and equipment. Founded in 1930, Wilhelm Dahle first began producing steel cutting discs for pencil sharpeners. Throughout the years, Dahle's reputation and customer satisfaction has grown worldwide.

About Dahle

Engineered and developed in Germany, the Dahle name is synonymous with quality and innovation. Dahle offers a complete range of cutting, art, and office products that exceed even the most serious demands for performance. All products are factory tested before release to ensure complete customer satisfaction. Using the strictest standards for quality and safety, each cutting edge is precision ground to provide the cleanest cut possible. Our alignment guides are carefully squared by hand to provide the accuracy our customers have come to expect from Dahle.

Whether you are trimming a single sheet of paper or a stack of 700, Dahle paper cutters will give you the results you desire. These precision trimmers have the ability to shave the tiniest sliver from your paper. Results of this caliber are made possible from over 88 years of experience.

Rolling Trimmers

p3

Dahle rolling trimmers are designed for safety and accuracy. They feature a ground, self-sharpening rotary blade that cuts in either direction. It's this sharpening action that helps the trimmer maintain a perfectly

honed edge, and produce a clean, burr-free cut. An automatic clamp and carefully screened guides ensure accuracy.

Vantage® Cutting Mats

Protecting your work surface is the function of a cutting mat, but there's a lot more to Dahle's Vantage® Self-Healing Mats.

These mats are self-healing and constructed using 5 layers of PVC plastic. It's this specialized formation of plastic that allows

cuts to just disappear—which greatly prolongs the life of the mat.

B8Fc Power-On-Demand Stapler

The innovative Novus B8Fc incorporates the industry's only Power-on-Demand (POD) technology that requires 70% less effort to staple. Just lift the top lever and experience the benefits of stapling up to 50 sheets of

paper from across your desk! The B8Fc produces a flat clinch, temporary pin, or tack to provide up to 30% more filing space.

Color	Depth	Dimensions	List Price
Black	2 3/8"	7 7/8" x 1 1/8" x 3 7/8"	\$89.95

B17 Long Arm Stapler

The Novus B17 is a unique stapler with an 11 3/4" reach. It features an adjustable depth guide to ensure you staple at the desired location each and every time. With the

added ability of temporary pinning, the B17 is ideal for stapling across large documents, binding booklets, and everyday stapling. Max capacity up to 40 sheets.

Depth	Dimensions	List Price
11 3/4"	16 1/2" x 2 3/8" x 2 3/4"	\$89.95

Heavy Duty Staplers

Designed and developed in Germany, these rugged staplers are capable of continually stapling large quantities of paper with minimal effort. They feature an innovative Anti-Blocking System (ABS) which prevents the possibility of a staple jam. A depth guide and Automatic Bypass System is standard on all models.

Document Destruction

Secure information should never fall into the wrong hands. Dahle paper shredders are your best line of defense in preventing unauthorized access to secure information. Whether it's personal credit card statements or Top Secret government documents, Dahle has a shredder that will meet your needs.

Features- With Dahle, you can choose the features that matter most to you. Whether you prefer the ease of oil-free shredding, or the relief from fine dust filtration, Dahle has you covered. Rest assured that no matter what you choose, all Dahle shredders are German engineered and guaranteed to provide many years of trouble free operation.

DAHLE CleanTEC® Air Filtration

- Traps harmful fine dust
- Improves air quality at work
- Provides a healthier environment

Automatic EvenFlow Lubricator

- Provides slow, continuous oil
- Reduces heat & friction
- Maintains peak performance

German Engineered

- Over 88 years of experience
- Latest technology & design
- Trouble free guarantee

Oil-Free Shredding

- Maintenance free / hassle-free
- Maintains peak performance
- Environmentally friendly

SmartPower Energy Management

- Reduces energy consumption
- Saves on electrical costs
- Environmentally friendly

Automatic Jam Protection

- Eliminates frustrating jams
- No shredder down time
- Prevents damage to shredder

The DAHLE Advantage

Command Dial

- 1** Controls all shredder functions including continuous run and reverse

Automatic Jam Protection

- 2** The motor automatically stops and reverses in the event of an overfeed

Door Open Interlock

- 3** Prevents the shredder from running when the door is open

Thermally Protected Motor

- 4** Prevents the motor from overheating during extended use

Rubber Shock Mounts

- 5** Suspends the cutting head to isolate noise and reduce vibration

Chain Driven Motor

- 6** Provides continuous power and slip-free performance to the cutting cylinders

Gusseted Shred Bag

- 7** Expanding folds and 3 mil. strength allow for maximum shred capacity

Wooden Cabinet w/ Casters

- 8** Attractive, modern design blends with any office decor or workplace

SmartPower Energy Management

- 9** Automatically reduces power consumption when idle, and saves money

CleanTEC® Fine Dust Filter

- 10** Eliminates up to 98% fine dust and provides a healthier workplace

**Some components not available on certain models*
