About

Located in Hickory, North Carolina, CEF is an innovator in the educational furniture industry, with over 40 years of experience in hand assembling quality furniture. Our award-winning product line caters to virtually every area of a school, from specialty spaces and CTE-focused furniture to classroom settings, media centers, and common areas.

At CEF, we are not just a manufacturer, but also develop & engineer our products in-house, thus creating furniture that meets the evolving needs of modern education. Our commitment to quality and functionality is unwavering, as our dedicated team takes great care to assemble each piece. With convenient lead times, we ensure that your school has access to the furniture it needs when it needs it.

We are excited to announce the launch of Forge, our new CTE focused line of products that fit perfectly into CTE environments such as automotive, welding, culinary and more!

We take great pride in our product line and the dedicated employees who drive CEF’s success. Our showroom and factory doors are always open, inviting you to witness firsthand the craftsmanship that goes into every piece we create. Experience the quality and innovation that is Custom Educational Furnishings—your partner in building inspiring educational environments.

FORGE 5 YEAR WARRANTY & DAMAGE POLICY

Our all-metal storage line is built to deliver long-lasting durability in demanding CTE environments. Because these products are heavy and precision-crafted, careful handling during transit and installation is essential.

In the event of shipping or handling damage, CEF will evaluate each situation on a case-by-case basis.

- **Minor cosmetic damage** (such as small scratches or scuffs) will not qualify for replacement. In these cases, CEF will provide a paint touch-up pen matched to the product's finish and may offer a discount at our discretion.
- **Damage to non-visible areas** (such as sides or backs that are not exposed after installation) will also not qualify for replacement; CEF will evaluate the damage, and a discount may be offered.
- **Major visible damage** that affects the appearance or functionality of the product will be reviewed individually. Replacement will be approved only when deemed necessary by CEF.

Our goal is to ensure customer satisfaction while maintaining responsible and sustainable warranty practices.

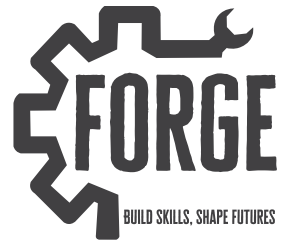

OPTIONS/UPGRADES

- 20 Fixed Pod Configurations
- Glides or Casters (Casters NOT Available on Desk Pods)
- Top Types- Shop Top, Maple Butcher Block (60X60 Split), or (304) Food Grade Stainless Steel (60x60 NOT Available)-See Pg.49

GENERAL INFORMATION & TERMS OF USE

BECOME A DEALER

CEF does not sell direct to schools, so we are always looking to partner with dealers who value a genuine relationship and want to add our innovative products to their offerings. To become a dealer, please call us at 1-800-255-9189.

PRICING & TERMS

CEF makes every effort to give our dealers advance notice of any price changes. However, prices could be subject to change without notice. Quotes provided are dealer net, not list. Freight is calculated upon request for quote and honored for 30 days from the date the quote is created. Our credit terms for invoice amounts are NET 30. Invoices are generated on the same day that product is shipped out and for 3rd party shipping orders that have been notified. New customers who have not submitted proper credit references will be required to pay before product is shipped. CEF accepts Visa, MasterCard, and American Express with a 3% fee added.

PURCHASE ORDERS

Please send purchase orders to orders@cefinc.com. Please include all necessary information, including quantity, part number, description, color selections for all products, ship-to address, along with the consignee name and phone number. Please include the email address that should receive our confirmed sales acknowledgement.

FREIGHT

All pricing reflects FOB Hickory, NC-28601. Although we take every precaution to avoid shipping damages, unfortunately damages still take place. Concealed damages must be reported to CEF within 5 business days. It is important that our freight damage guidelines are followed in order to have the best possible outcome. Failure to follow these guidelines could result in additional costs to our dealers or end users. Packages MUST be inspected carefully & thoroughly by the consignee. If there is any damage or question of damage, the consignee must ask the delivery driver to remove the packaging and inspect the product before leaving. The consignee should request the delivering carrier to record on the delivery receipt any damages to product or packaging at the time of delivery.

Additionally, any shortages should be noted on the delivery receipt. If further damage is found after delivery, the delivering carrier must be notified at once of concealed damage and there should be an immediate inspection by the delivering carrier. Cartons must be held by the consignee for carrier inspection, until the carrier can come and visibly inspect the package. CEF will assist to obtain claim settlement, but the consignee must take the necessary steps to obtain proof of loss and damages. NOTE: Carriers are not responsible for damage or shortage after the delivery receipt is signed without a damage or shortage notification! If a customer selects a freight carrier, the customer is responsible for any freight damage claims.

RETURNS

Shipment returns must be requested and authorized within 5 business days and are subject to a 30% restocking fee plus return carrier fees. Items must be unopened, fully wrapped and banded to pallet(s) as received in original shipment. The items must have no damage and must be in their original state. Custom products are not eligible for return under any circumstances.

CANCELLATIONS

Purchase orders received are typically processed within 24-48 hours. Components can begin production within 3-5 days. If an order is requested to be canceled, CEF will review on a case-by-case scenario for approval.

HOLDS

Dealers requesting to push ship dates out due to construction or other delays should communicate this information as quickly as possible. CEF will make every effort to hold built product depending on space availability. CEF cannot hold built product longer than an additional 30 days. Any pre-built orders that are asked to be held beyond 30 days may be subject to a warehousing fee. If we are experiencing space constraints, we will be required to ship the product to the dealer warehouse or end user site.

LEAD TIMES

CEF strives to exceed customer expectations where lead times are concerned. All our products are made to order, and effort will be put forth to meet the assigned shipping date. However, there are occasional unforeseen events that can delay shipments. CEF will assess the need for split shipments and consult with the dealership for necessity of partial shipping an order if our production is delayed. Off-peak season (November-March) 6-8 weeks. Some products have a 10-12-week lead time. Please ask your sales representative for more detail. Peak season (April-October) 8-10 weeks. Some products have a 12-week-lead time. Please ask your sales representative for more detail.

WARRANTY

At the discretion of CEF, we ensure to replace or repair product which proves to be defective in original workmanship or manufacturing in which becomes evident within the first 12 years from the date of purchase. For Perch & Bide Soft Seating, we offer a limited lifetime warranty. Please refer to our website for full details. In order for CEF to honor this warranty, all products must be housed in an environment of controlled temperature and humidity, and the proper guidelines must be followed for care and cleaning.

EXCEPTIONS

- Treated Butcher Block and Tough Tops- 5 years.
- Untreated Butcher Block Tops – 1 Year
- Casters - 5 years
- Metal Stools - 5 years
- Electrical components on all furniture & charging carts - 3 years limited lifetime*
- Dry Erase/Marker Board Surface Laminate - 1 year
- Locks - 1 year
- Pneumatic Sit to Stand Height Adjustable Base - 1 year
- Glass Tabletops - 1 year
- FORGE Metal Storage- 5 years (See Pg.8 for Details)

* Limited lifetime; provided by the surge protector manufacturer. Surge protectors are designed to sacrifice themselves in order to save equipment connected to them in the event of a power surge. Consequently, a surge protector that has experienced a surge and no longer conducts A/C power has performed its duty protecting connected equipment.

EXCLUSIONS

- CEF warranty does not apply to:
- Product that has not been properly cared for per care & use instructions.
- Normal wear and tear.
- Abnormal or abusive use of product.
- Transit damage caused by freight carriers other than CEF truck and trailer.
- Please see separate guideline around freight damages.
- Modifications to product that are not approved by CEF engineering.
- Products that were not assembled properly, used, or maintained in accordance with product instructions and care guidelines.
