

Virtual & Mixed Reality

from

Make Your CTE Lab Step Into the Future

Real Skills | Virtual Learning | Unlimited Practice

**Engineered
for precision.**

**Designed for
convenience.**

**Fully loaded training,
wherever you need it.**

**In the classroom, or
On the go.**

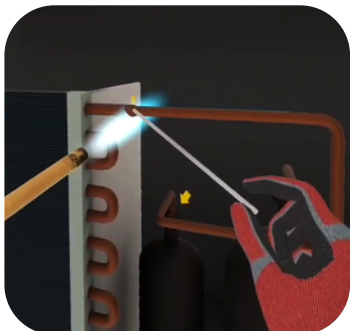

**Add Multiple Trades
on the Same VR Headset**

Welding | Collision Repair | HVAC | Solar

The Skillveri Advantage

HVAC Simulator

Controller-free usage with accurate hand tracking

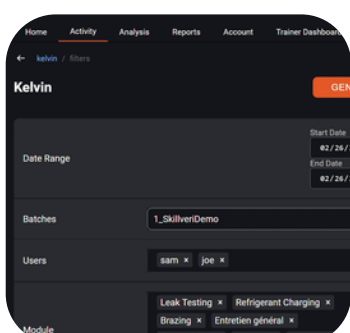

Exploded, labeled view of components with 360° turntable rotation.

40%
faster
learning

Step by step guidance with multi-language text

Track student progress with trainer dashboard

30%
lesser
costs

Higher engagement & retention - **faster pathway to certification**

Unmatched realism, zero electrical safety concerns

Huge cost savings, no complex equipment installation

Students feel **more comfortable**, **practice longer** - Mixed Reality mode

Stream and **guide multiple student headsets** at once - Exclusive **screen casting app**

- Leak testing, brazing, and vaccuming
- R32 charging
- Blended & single compound refrigerant charging
- Refrigerant recovery
- Commercial AC cleaning and maintenance
