

\$400
Each Class of
20 Students

The complete online solution for all your video production needs.

Curriculum

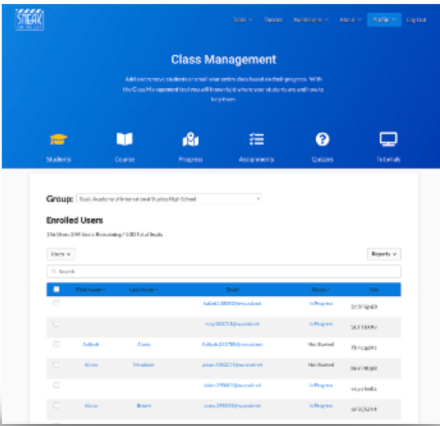

Twelve different interactive curricula that guide students through the development of a screenplay, preproduction, production and postproduction.

Music Library

Music plays a huge role in any production. Download any of our professional 37,000 copyright free songs and add instant mood to your student's films or multimedia presentations.

Class Management

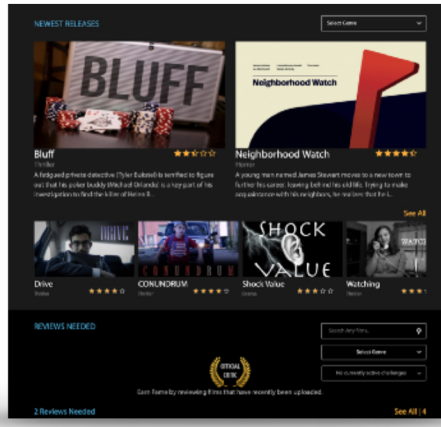

Add/remove students from your classroom, review their uploaded assignments and provide feedback all through our Class Management tools.

Professional Interviews

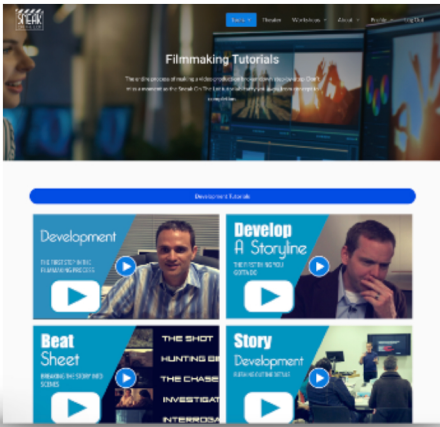

Bring professional filmmakers in your classroom with over 30 hours of advice from some of Hollywood's best.

Theater & Contests

Student driven interactive theater with contests and prizes.

Filmmaking Tutorials

Filmmaking tutorials that walk students through each phase of the filmmaking process.
